NONCOMPLIANCE SUMMARY

The defendant has not complied with the following conditions of supervision:

Nature of Noncompliance

1. The defendant violated the special condition that she abide by a curfew as directed by the location monitoring specialist and abide by all program requirements, on or about March 24, 2021, when she failed to return home by 9:00p.m.

Supporting Evidence:

On March 24, 2021, I received an alert from the monitoring company reporting that Ms. Channon failed to enter her residence by 9:00p.m. as scheduled. After a review of the Global Positioning Satellite mapping data, I determined that she was at Hot Mamma's Pizza, a place of employment. I attempted to contact Ms. Channon and left a voice message advising her that it appeared she was at work however failed to report her work schedule. In response, she left a voice message explaining that she was asked to cover the closing shift and forgot to notify me that she was scheduled for the closing shift this evening. She was verbally admonished and reinstructed on schedule requests.

On July 15, 2020, Ms. Channon appeared before Your Honor and was ordered released on an appearance bond with a special condition that she participate in a location monitoring program with a curfew as directed by the location monitoring specialist.

Ms. Channon has been warned on several occasions about her lack of communication and failure to check voice messages and emails. Unless she has been approved otherwise, Ms. Channon has been advised that she has a curfew of 9:00 p.m. until 6:00 a.m. Additionally, I have contacted defense counsel and the assigned pretrial services officer for compliance assistance. Since this most recent incident, Ms. Channon has been responsive in reporting her work schedule or changes to her work schedule.
